**Mr. Jeremy Makay**  
**International Programs Manager**  
**Central & South America Region**

Mr. Makay was assigned to the Deepwater Program Office in June 2003 and is currently the Regional Desk Officer for the SOUTHCOM Area of Responsibility (AOR). He has oversight responsibilities for all Security Assistance (SA) and Foreign Military Sales (FMS) activities in the SOUTHCOM AOR. In addition, Mr. Makay coordinates all relevant events that involve the Deepwater Program as they pertain to the SOUTHCOM AOR. The Deepwater Program is the largest acquisition program in the history of the Coast Guard. This innovative acquisition program will develop, acquire, and sustain an affordable integrated system of surface, air, command and control and logistics assets that serve America's maritime safety and security needs.

Prior to his assignment at the Deepwater Office, Mr. Makay worked in various analytic/research capacities while finishing his under-graduate studies at George Mason University. He worked for the United States Customs Service in Washington, DC and was assigned to the Air and Marine Drug Interdiction Division. There, he worked with others to develop practical actions that had near and long-term impacts on the regional development and security issues of America's borders.

Mr. Makay completed his undergraduate degree in Communications with a concentration in Conflict Resolution with a minor in Business from George Mason University in Fairfax, Virginia.
